SUMUKH PARSAI

Software Engineer / Web Developer — Entry Level

9111931763 | summukhparsai@gmail.com | linkedin.com/in/summukh-parsai-41460226b | github.com/summukhparsai

PROFESSIONAL SUMMARY

B.Tech (Computer Science & Information Technology) student with hands-on experience building React.js interfaces during a 5-month front-end internship, and full-stack application development using React.js and MySQL. Applies Data Structures & Algorithms, Object-Oriented Programming, DBMS, and Operating Systems fundamentals to develop, debug, and maintain web applications. Uses Git/GitHub for version control and SQL for database design and querying.

TECHNICAL SKILLS

Programming Languages: C++, Python, JavaScript
Web Technologies: HTML5, CSS3, React.js
Database: MySQL, SQL
Tools & Platforms: Git, GitHub, VS Code
Core Concepts: Data Structures & Algorithms, Object-Oriented Programming (OOP), Database Management Systems (DBMS), Operating Systems, Software Development Life Cycle (SDLC)

INTERNSHIP EXPERIENCE

Front-End Developer Intern, Iluam Tech Pvt. Ltd., Nagpur — *May 2025 – Sept 2025*

- Developed responsive user interfaces for the AssessmentShala platform using React.js, JavaScript, HTML, and CSS.
- Built front-end modules enabling users to create, conduct, and manage online assessments.
- Implemented result visualization components to display assessment outcomes within the platform.
- Tested and adjusted layouts across multiple devices and browsers to maintain consistent, responsive rendering.

PROJECTS

Med-Red — Medicine Inventory & Reminder Web Application
Technologies: React.js, JavaScript, MySQL

- Built a full-stack web application for medicine inventory management, using MySQL to store and track stock data.
- Implemented inventory update functionality and a medicine reminder feature to support medication scheduling.
- Designed a React.js dashboard for inventory monitoring and management.

Leisure — Restaurant Website
Technologies: HTML, CSS, JavaScript, React.js

- Built a responsive restaurant website enabling users to browse menu items from a single platform.
- Implemented reusable React components and responsive layouts across desktop and mobile viewports.

EDUCATION

Bachelor of Technology (B.Tech) — Computer Science & Information Technology — *Expected Graduation: 2027*

- IPS Academy, Indore | CGPA: 8.1/10

CERTIFICATIONS

- Certificate of Training Completion — Web Development + Basic DevOps (May 2025 – Sept 2025)
- Workshop on Web Development (December 2023)
